For each letter, piece with paper piecing technique. Numbers on individual pieces indicate order in which to piece.

Choose fabrics that are lighter or darker in value as per **Diagram 1** to achieve depth and variety. All blocks should measure 5½" square when completed (includes seam allowance).

Following **Diagram 1**, add ground fabric sashing in the following order:

Sew pieces "A" between letter blocks. Sew pieces B1, four B2 & B3 between small squares "G".

Sew B4 and B5 to top and bottom of strip with small squares.

Sew "C" between 1st and 2nd column of letters, pinning first.

Sew three "D" to last three columns of letters, pinning first.

Sew block of last three strips of letters to block of small squares.

Sew this to block of first two strips of letters, pinning first.

Add "E" to both sides, then "F" to top and bottom.

Assembling Quilt:

Layer backing, batting and quilt top. Baste or pin.

Quilt as desired. I used straight line quilting ½" apart on all ground fabric, framing letters.

Square up quilt. Join binding strips together and bind in your preferred fashion.
