## Instructions:

All seam allowances are a 1/4".

- Following the diagram and starting with the 3 1/2" Lipstick square (Section A), stitch the pieces together in alphabetical order. Press the seams toward the darker fabrics.

You may find it helpful to measure and trim between each color:

- After Luna, the square should measure 4 1/2".
- After Lagoon, the square should measure 5 1/2".
- After Cobalt, the finished block should measure 6 1/2".
