— a story in every stitch —

by Nancy Burg

Cutting Directions:

Quarter Square Units:

- Cut two Luna 3 1/4" squares; recut into four quarter square triangles.
- Cut two Cobalt 3 1/4" squares; recut into four quarter square triangles.

Center Square and Corner Squares:

- Cut five Cobalt 2 1/2" squares

Sewing Directions:

- Place one Luna 3 1/4" quarter square triangle right sides together with a Cobalt 3 1/4" quarter square triangle.
- Sew together with a 1/4" seam and press toward the Cobalt.
- Repeat to make a total of eight units.
- Put them together as shown below and create four.

- Assemble the blocks into rows and then attach the rows following the picture and noting orientation.
