

# Janome is now distributing OESD Stabilizer Products

We now proudly distribute a selection of OESD stabilizers! These stabilizers are perfectly curated to work with the selections of designs at [janome-embroidery.com](http://janome-embroidery.com). There's an option for every kind of stabilization - from stiffening quilt blocks for quilting, to prepping hats, shirts, or any other fabric for embroidery. Easily promote your store at [janome-embroidery.com](http://janome-embroidery.com) by offering the matching stabilizer line!

## Badgemaster:

12" 8 yd PN: **HBABM-12**

- Use on sheer, lightweight & fine fabrics
- When all traces of stabilizer must be removed

## AquaMesh Wash-Away:

10" 10 yd - PN: **HBWAM-10**

15" 10 yd - PN: **HBWAM-15**

- Opaque mesh water soluble stabilizer
- Use on sheer or lightweight fabrics when all traces must be removed

## StitchH2O:

8" - PN: **HBWST-8**

12" - PN: **HBWST-12**

- Water soluble topping wont stick to embroidery foot
- Excess tears away easily; remove remnants by dabbing with water

## PolyMesh Cut-Away:

10" White 10 yd - PN: **HBC15-10**

15" White 10 yd - PN: **HBC15-15**

20" White 10 yd - PN: **HBC15-20**

- Use with thinner fabrics to prevent show through
- Soft but strong - good for knits & stretchy fabrics
- Soft finish prevents skin irritation

## HeavyWeight Cut-Away:

10" White 10 yd - PN: **HBC25-10**

- Use with large or stitch-intensive designs
- Good for denim, sweatshirt fleece, or heavy knits
- Softens after washing

## Fusible Woven:

15" White 5 yd - PN: **HBFW-15**

- Lightweight woven fabric with all-over fusible
- Adds body to light to medium weight fabrics
- Helps to prevent fabric puckering

## Lightweight Tear-Away:

10" White 10 yd - PN: **HBT15-10**

- Use on lightweight fabrics to stabilize low stitchcount embroidery designs
- Very easy to remove
- Great choice for paper piecing of quilt blocks

## Ultra Clean & Tear:

10" White 10 yd - PN: **HBT17-10**

15" White 10 yd - PN: **HBT17-15**

20" White 10 yd - PN: **HBT17-20**

- High quality medium weight tear-away stabilizer
- Excellent stabilization for medium to high stitch count embroidery designs
- Use on woven fabrics when no permanent backing is required

## StabilStick Tear-Away:

10" White 10 yd - PN: **HBSST-10**

- High quality medium weight tear-away stabilizer with light adhesive coating
- Use on hard-to-hoop items such as collars and napkin corners
- Use on tightly woven and slippery fabrics that do not stretch
