Tricot Foot

Part No. **202-509-006**

This foot prevents puckering and fabric slippage on stretch fabrics!

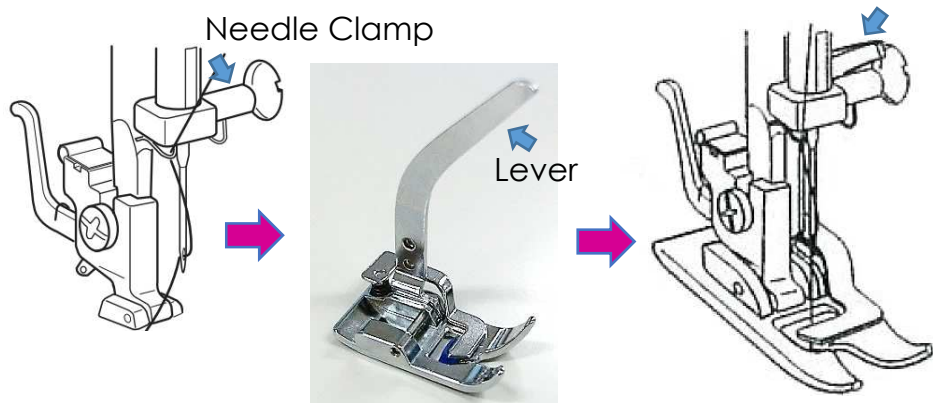

1. Suitable Stitches for Tricot Foot

Stitch Pattern	Stitch Length	Stitch Width
Straight Stitches (Center/Left needle position)	1.5-4	5 / 0
Zigzag Stitch	1-4	5
Tricot Stitch	0.5-4	5

You can choose a proper stitch for fabric or part wherever you want to sew.

2. Easy to attach

Attach the Tricot Foot to the foot holder while placing the Tricot Foot Lever over the Needle Clamp.

3. Features of Tricot Foot

This foot has a blue-colored grip on the foot, which links to the needle bar. This means that it is able to perfectly time when to hold the fabric still and when to let it go making these stretched fabrics easy to sew.

*Please test stitches on the actual fabric beforehand to adjust Stitch Width, Length and Thread Tension of the selected stitch for better result. 😊
